PREMIUM CHEMICAL, LEAD & HEAVY METALS FILTRATION SYSTEM

Excalibur Whole House Water Filtration System removes Chemicals, such as Chloramines, Chlorine, THM's, Volatile Industrial Chemicals, Lead, and all other Heavy Metals from your household water supply providing safe clean water for you & your family.

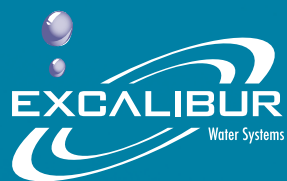

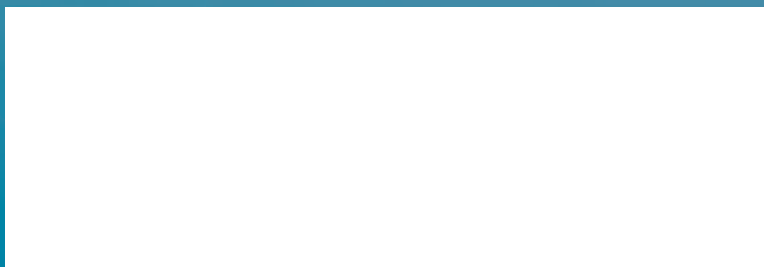

The removal of Chemicals from your household water supply with the Excalibur Water Filtration System are numerous such as Chlorine, Chloramines, Volatile Industrial Chemicals like Ammonia, Benzene, Bromine, Carbon Dioxide, Chromium, Dioxane, PCB'S, Ethylene, and THM's, just to mention a few as there are hundreds of chemicals removed by the Excalibur Whole House Water Filtration System. These chemicals are found in your municipal water supply causing numerous health issues. All these chemicals can be absorbed through your skin while showering or bathing, also when drinking your tap water. When showering you will absorb up to eight glasses of water through your skin including all the chemicals in the water.

Also the removal of Lead and all other Heavy Metals located in water supplies from municipalities will be removed by the Excalibur Water Filtration System such as Lead, Iron, Cadmium, Zinc, Arsenic, Copper, Aluminum, Silver, Nickel and many other Heavy Metals. Lead is a metal that occurs naturally in water sources such as lakes, or rivers which is harmful to adults and children. Lead can also enter your home through Lead pipes supplied from municipality water distribution cities and towns throughout Canada, also homes that are plumbed in copper with soldered pipe connections as Lead was used in the manufacturing of copper pipe and solder for many years. Health effects from Lead contamination can cause various types of cancers such as liver, brain and many others from consuming lead contaminated water through showering and drinking over an extended period of time. Heavy Metals in water can cause many other health related issues, no one should shower, bath, or drink water that has any Heavy Metals in it for good health and extended life.
